Below is another interview request surrounding Mr Barak's CA appearances. Is this something he would like to do or should I respectfully decline?

We are interested in having Ehud Barak interviewed on KNX's morning show while he's in town for his appearances. It would be a phone interview conducted by KNX anchor Dick Helton, who co-host the KNX Morning News from 5am-10am. We would be happy to work this around Mr. Barak's schedule and the interview would take about 5 minutes.

KNX 1070, part of CBS RADIO, is Southern California's only all-news station and has about 1.2 million listeners each week.
